

A Special Prayer for our time.

Almighty Father, as we learn of the full extent of the devastation wrought by hurricanes Harvey and Irma, we pray that you will assist those who have been severely affected. Have mercy on those who died during the storm and grant them everlasting peace. Strengthen and assist those whose homes and property have been heavily damaged. Grant that those in need will receive the support, assistance, and financial aid as they begin to rebuild their lives. Lord, kindly watch over the Saint Vincent de Paul workers who are trying aid their neighbors in distress as well as all others who are part of the disaster relief efforts. Help them to be effective and to avoid discouragement or the feeling of being overwhelmed.

Amen

By Deacon Tom Tynan

Spiritual Advisor for the St. Vincent de Paul Council of the Archdiocese of Santa Fe.
