

Vehicle Donation

Offering hope one vehicle at a time

It's more than just a car.

By donating your car to the Society of St. Vincent de Paul you are offering hope to those in need. We have partnered with One Car One Difference®, a national vehicle donation program with the facilities and services to make the process simple and convenient for you. Offer your vehicle donation to the Society of St. Vincent de Paul to help a person, a family, or a community.

One of the largest charitable organizations in the world, the Society of St. Vincent de Paul is an international, nonprofit, Catholic lay organization of more than 700,000 men and women throughout the world who voluntarily join together to grow spiritually by offering person-to-person service to the needy and suffering in 149 countries on five continents. Membership in the United States totals more than 141,000 in 4,300 communities. Programs include personal visits (homes, hospitals and prisons), housing assistance, disaster relief, job training and placement, food pantries, dining halls, clothing, transportation and utility costs, care for the sick, the incarcerated and the elderly, and medical care.

Vehicle Donation

Offering hope one vehicle at a time

“I am a donated vehicle. I am hope for my community.”

Help turn donated vehicles into dollars for the Society of St. Vincent de Paul.

Donate a Vehicle. Help Those in Need.

We'll sell it at auction, and give the proceeds to the Society of St. Vincent de Paul.

The sale of each vehicle provides a significant benefit for the Society of St. Vincent de Paul. Your support will provide funding for transitional job training, food pantries and local thrift stores. You could earn a tax deduction, too.

Although the process of donating your vehicle is simple and quick, the benefit lasts a long time. You'll feel good about helping others, and you'll get rid of that old vehicle.

Not every "vehicle" is a car, but every donation helps!

You can donate any type of vehicle, including:

- Cars
- Trucks
- Boats
- Motorcycles
- Snowmobiles
- Personal watercraft
- Heavy equipment
- Airplanes

Your charitable donation to the Society of St. Vincent de Paul has another significant benefit: helping the environment. Our partner, One Car One Difference® shares our commitment to creating a cleaner environment, with strict guidelines in place to ensure regulatory and EPA compliance.
